CHILD CARE

SCHOOL AGE CARE

AGES: 5-12 Years Old

School Age Care is nationally accredited through the Council on Accreditation. The program provides care to children ages 5 (enrolled in Kindergarten) through age 12.

School Age Care provides before- and after-school care, as well as full-day care during school holidays and summer vacations. The hours of operation are Monday through Friday from 6:30 a.m. to 5:15 p.m. (During summer, hours are 7 a.m. to 5:15 p.m.)

Activities are provided to the children that promote physical and cognitive development. The program strives to support positive self-concept, incorporate life skills, and encourage independence and responsibility. School Age Care youth establish friendships, improve their social skills, gain social support, and develop a sense of community and teamwork. Physical development is also incorporated through recreation.

For more information please call 850-882-8291 or DSN 312-872-8291

FAMILY CHILD CARE

AGES: 6 Weeks to 12 Years Old

Family Child Care (FCC) offers a high-quality alternative to center-based care. Care is provided in a safe, healthy, nurturing environment that promotes children's development. The Eglin FCC Program certifies both on-base and off-base (state registered) childcare providers.

FCC offers full time and part time hourly care, evenings, and nights. There is also care offered for PCS, Extended Duty (non-traditional hours), Deployment, Military Spouse Appointment, and UTA weekend care (Reservist).

FCC Providers have the opportunity to stay at home with their own children, contribute to the family income, and operate their own business. FCC Providers are secure in the knowledge they are offering a valuable service to AF communities.

FCC Providers complete a comprehensive training program equivalent to that of Child Development Center staff. The training program includes an in-depth orientation in the home, completion of 15 online training courses followed by a written assessment and competency observation by an early childhood expert, and 24 hours of annual training.

For more information, please call 850-882-2994 or DSN 312-872-2994.

The Youth Sports Program offers baseball, basketball, and soccer. Registration for sports requires a current physical and immunization record.

Dance classes featuring tap, ballet, and jazz are available for children ages 3-18. There is a monthly fee to participate with family rates available.

Summer Programming gives the youth an opportunity to participate in sports camps, cooking clubs, Missoula Children's Theatre, fine arts, and various field trips through June and July.
