# ABOUT US

## 96TH FORCE SUPPORT SQUADRON AT EGLIN AFB

The 96th Force Support Squadron at Eglin AFB provides education, family services, lodging, food service, recreation, and fitness for up to 85,000 active duty military, dependents and retirees.

As the largest Air Force installation in the country, Eglin's military personnel contributes \$2.7 billion annually to the local economy and are loyal to brands and businesses that support the troops.

## DEFINING SPONSORSHIP

Commercial sponsorship is an exchange of value between a Force Support Squadron and civilian business whereby the support offsets or enhances the budget for an activity, event, or program. Businesses receive promotional consideration and direct access to Eglin's military market. Support may be in the form of cash and/or in-kind support.

100% of the funds received through the Air Force Commercial Sponsorship & Advertising Program go directly into the Morale, Welfare & Recreation fund that provides special events and programs for the Eglin Community.
