# Q&A

**Q:** I don't own a boat or yacht! Can I still join?

**A:** YES! Many of our members do not own a boat! Only a few members have large boats.

**Q:** What are water activities in the area?

**A:** There is a wealth of information on boating, diving, fishing and all other water related activities within the EYC membership. All you need to do is join and participate!

**Q:** Am I eligible to join?

**A:** Our membership includes active duty, base civilians, government contractors, and retirees from all branches of the military. Our only requirements are access to the base, small initiation fee, and payment of dues at only \$8 per month!

**Q:** Okay, how do I find out more about joining the only boating, diving, water loving, member run, family friendly, all volunteer social club on Eglin AFB?

**A:** Stop by the Club on Boatner Drive, on the first or third Friday of any month from 5-9 p.m. and seek out an Advisory Board member.
