

EGLIN YOUTH SPORTS PROGRAM ASSESSMENT FORM

(Per AFI 34-114, Child & Youth Programs, Paragraph 17.3)

Please help the Eglin Youth Sports Program evaluate our progress. The program's goal is to deliver a high quality sports experience and to do so in the best possible learning environment where youth can prosper. Please keep in mind that the Eglin Youth Sports Program is a recreational league where all kids actively participate in a fun, safe, and healthy sports environment. The program focuses on the basic skill development of athletes, as competition and winning are not the overall main objectives.
