

Bridging Commands, Schools, Families and Communities to Help Students Succeed

Mission Vision, Goals

The School Liaison Program aims to connect schools, families, and communities in order to meet the educational needs of the military connected student.

The goals of the program are to:

- **Promote communication** between local K–12 schools, military families, installation and surrounding communities.
- **Promote parental involvement** in their children’s education.
- **Identify barriers** to academic success.
- **Develop solutions** in partnership with local schools in military connected families to overcome obstacles to successful education and school transitions.
